Work Experience

Techxpert Digital Services

Sep 2025 – Mar 2026

Role – React Developer & Shopify Developer

Lucknow, U.P

- Developed and customized Shopify stores and React.js applications, improving user experience and performance.
- Collaborated with cross-functional teams to manage product listings, deploy new features, streamline workflows.
- Provided development support, troubleshooting, and performance optimization to ensure seamless operations.

Edoro Technologies LLP

Dec 2024 – Aug 2025

Role – Assistant MERN Stack Developer

Lucknow, U.P

- Worked as an Assistant MERN Stack Developer, contributing to the development and deployment of full-stack web applications using MongoDB, Express.js, React.js, and Node.js.
- Developed RESTful APIs and ensured seamless frontend-backend integration using React.js and Tailwind CSS.
- Worked on live projects including BookStore, Task Management System, Shopping Mart, and CheapFareMart, focusing on user management, order processing, and payment integration.

PROJECTS

BookStore E-Commerce Website (MERN Stack) | MongoDB, Express.js, React.js, Node.js

- Developed a full-stack e-commerce bookstore with user and admin dashboards, enabling seamless browsing and management of products.
- Built a comprehensive "My Account" module including profile management, orders, wishlist address handling.
- Designed an admin panel to manage books, users, and orders with real-time updates.
- Integrated EmailJS for notifications and used Tailwind CSS to create a responsive and modern UI.
- Implemented cart, order management, and address system with MongoDB for persistent user experience.

CheapFareMart

USA-based Flight and Car Ticket Booking Application

- Contributed as a Frontend Developer in a live project for CheapFareMart, a USA-based client focused on flight and car ticket bookings.
- Developed responsive and interactive UI using React (Hooks) and Tailwind CSS, ensuring performance and accessibility across devices.

Education

Integral University, Lucknow

MCA, Master of Computer Applications (CGPA: 7.7)

2022 – 2024

Lucknow, U.P
